

GD8000

Custom Branded Notebook

Increase Security Awareness and Drive Brand Recognition by Customizing GD8000 Notebooks

- Reduce risk of theft with durable company identification
- Extend company brand and awareness
- Increase recovery efforts of lost units
- Each unit can be branded with your logo and corporate colors

The GD8000 custom labels are made from high quality scratch and water resistant materials that will add value to your asset management initiatives and brand value proposition for many years to come.

- ✓ Mock-ups Available
- ✓ 4-10 week delivery
- ✓ Minimum Order is 15

Item	Unit Cost	Total
One-time Set Up Fee ¹	\$150.00	\$150.00
Cost Per Label	\$40.00	
Enter Your Total Here ²		\$

This table is intended as a worksheet and does not represent final pricing.

¹ For the GD8000, there is a one-time set up fee for artwork, including 4-color art/photography. There is a production cycle where you will be able to "approve" the artwork prior to final production.

² Total in this worksheet does not include applicable taxes, GD8000 manufacturing cost, or cover any custom inventory options you may need. Please ask a General Dynamics Itronix representative for assistance on the overall configuration and delivery of your GD8000 order.
