wireless mobile computing Solutions for your enterprise

GoBook MAX®

GoBook MAX[®]

Ultra-rugged computing for an ultra-rugged world

highlights

- Intrinsicly safe rated
- Ultra-rugged
- Lightweight, ergonomic
- CRMA™ wireless technology
- PIII 700 MHz speed

Itronix: The company that invented rugged, wireless computing presents GoBook MAX[®]

The GoBook MAX is simply the fastest, most rugged wireless notebook computer in the world. The GoBook MAX exceeds military specs for drop, water resistance, dust and vibration, and recently passed the MIL STD 810F 511.4 Explosive Atmospheres test. The GoBook MAX is also rated intrinsically safe and non-incendive, meaning it can be safely used in environments such as HazMat or flightlines where volatile gases or fumes may be present. Innovations include Itronix' exclusive CRMA™ user-upgradeable wireless communications. CRMA protects your hardware investment capabilities by making the GoBook MAX upgradeable to 3G wireless technologies. Itronix partners with industry leaders in wireless, peripherals and software delivery to integrate solutions custom-designed to solve your field force computing needs. Itronix iCareSM service and support programs lead the industry in successfully deploying and maintaining sophisticated computing systems.

Maximize the success of your mobile computing investment with the Itronix GoBook MAX.

product specifications

Compact Size/ Weight:	Length: 11" (27.94 cm) • Width: 8.75" (22.25 cm) • Depth: 2.15" (5.461 cm) • Weight: 6.2 lbs. (2.81 kg)
Processor/Memory:	700 MHz Intel Pentium III processor with 256 KB L2 cache • 128 to 512 MB SDRAM
Storage:	Shock mounted 2.5" 20 GB or optional 40 GB ruggedized hard disk drive
Power:	Smart 5880 mAh (63.4WH) Lithium-Ion battery pack
Display:	10.4" TFT SVGA Outdoor Colorvue™ transmissive display with Anti Glare and Touchscreen • Optional 10.4" Transflective SVGA Outdoor Colorvue™ display with Anti Glare and Touchscreen (for use in bright sunlight) • Silicon Motion Lynx EM Plus • Support for 64 bit internal graphics acceleration with integrated 4 MB SGRAM • XGA through external VGA port
Keyboard:	Fully waterproof NiteVue™ glow-in-the-dark keyboard, constructed from phosphorescent plastic • Optional back lit keyboard • Localized versions available
Pointing Device:	Touch screen • Pointing stick and 2 button controls
Operating System:	Microsoft® Windows XP, Windows 2000 • Localized versions available
Interfaces:	PC card slot for (1) Type I, or II card with 32 bit Card Bus and support for Zoomed Video • External type III PC card support with optional adapter • Built-in RJ-11 and RJ-45 jacks for integrated fax/modem and ethernet (Option) • 2 USB connectors (bootable) • 9 pin high speed serial port connector • 15 pin external video (CRT) port • External speaker and microphone jacks (adapter)
Audio:	Internal microphone and speaker • PCI Audio with AC-97 compliance
Integrated Wireline Communications:	56 Kbps V.90 fax/modem or 10/100M bit Ethernet LAN fax/modem combo (Option) • Mini-PCI module
Integrated Wireless Communications:	CDPD, Cisco Wireless LAN, Motient, GPRS, CDMA/1xRTT
CRMA™ Wireless Technology:	Common Radio Module Architecture (CRMA™) with fully integrated, rugged and customer upgradable radio modules • Supports PCMCIA and OEM radio modules • Engineered for minimum radio desense to offer maximum wireless coverage • Superior wireless power management
Environmental Specifications:	Die-Cast Magnesium for all structural components • Operating temperature: -20° to +60°C (-4° to +140°F) • Storage temperature: -55° to +75°C (-67° to +167°F) • 54 repeated 1 meter drops onto plywood over concrete exceeds MIL STD 810F, 516.5, IV, single unit • 4-hour rain/water resistance test at 4 inches per hour at approximately 40 psi on all 6 axes, MIL STD 810F, 506.4, II • Vibration per MIL STD 810F, 514.5, I • Ingress Protection Rating IP65
Intrinsic Safety & Non-Incendive:	Class 1, Division 2, Group A, B, C and D, certified by CSA International
Options:	Vehicle power supply • Vehicle dock with lock, power, (2) USB Interfaces, and RF contacts for external vehicle-mounted antennas • Cargo pouch • iCare Mobility, seamless roaming connectivity

For a complete list of available options contact your Itronix representative.

Go Smart. Go Fast. Go Ultra-Rugged. GoBook MAX[®].
